

OPTIMISE NEWSLETTER

Happy Holidays from OPTIMISE

We greatly appreciate the dedicated work from the Task Force, Core Team and Action Teams this year.

We've already made a difference in Special Education. Thank you.

We wish everyone a wonderful holiday season.

MAASE Extends Deadline for Building-Level Principals and Administrators Leadership Program

Developing Inclusive Leaders Program

Application Deadline - Dec. 2, 2024

Program Begins - January 2025

What is this professional learning about?

The "Developing Inclusive Leaders" program is a comprehensive training

Who is this professional learning for?

This professional learning is designed for building-level leaders, including

program aimed at building-level principals and administrators. It focuses on enhancing leadership skills in special education, equipping school leaders with the knowledge and strategies to create equitable, culturally responsive, and inclusive environments for ALL students.

Principals, Assistant Principals, and Deans, who wish to strengthen their capacity to support ALL students and are beyond their first year. Building-level leaders will also learn how to support staff working with students with disabilities, including special education teachers, ancillary staff and paraeducators.
